

'No Scalpel Vasectomy'

Clinic commencing:

Friday May 14th 2010

Family Planning (FPWNT), Coconut Grove, Darwin

Phone 89480144 to make bookings

To meet strong local demand, Family Planning is starting a vasectomy service. On Friday May 14th, Dr. Philip Snowball, the GP Specialist from the Perth Vasectomy Clinic (www.perthvasectomyclinic.com.au), is holding a supervised training clinic with Dr. Paul Rivalland (FPWNT). They will be using the 'No Scalpel' technique which is now the recommended method of choice internationally, noted for no stitches, quicker healing with less time off work subsequently.

We are seeking your support in referring clients requesting a vasectomy to attend this clinic.

Clients will be required to attend a bulk-billed appointment beforehand, to explain the procedure etc.

Cost: \$300 up front (Medicare rebate \$155.25)

Phone 89480144 and ask for more details.
